Dear Dr. Huber Nieto-Chaupis,

We are pleased to inform you that you are the presenter with the highest number of presentations to be scheduled for the Applied Nanotechnology and Nanoscience International Conference 2018.

The Scientific Committee accepted your 8 works and you well registered to present them all.

This 4th edition of ANNIC will be held in Berlin from 22/10/2018 to 24/10/2018, more details are available here:
